Thinking Out Loud

H. M. L.

"I hear ye rode Old Man Depression out of town on a rail," remarked a veteran boulvardier from a neighboring town yesterday afternoon. Really it looked like the old man had quit for good. Every body that one eye witness could observe was having a tremendously good time, over the holidays. The El Dorado, capitalizing the popular mood, was making money for the Veterans of Foreign Wars, and the Fourth of July Committee was coming in for its share of the net profits. The Whiskerinos and Whiskerettes, to whose energy and comradie the big success was probably 75 per cent due, were at the peak crest of the revels. Boss Whiskerino Ted Janiss who has devoted weeks of strenuous endeavor to organizing enthusiasm and putting it to work, expressed himself as mightily pleased with the results.

Charles Leiter, Fred Conner, Elza Kilroy, Bert Cregwidden, and all their committee chairmen, in both Grass Valley and Nevada City received on Saturday their well merited mead of praise. The parade, the apex of the three day celebration was in its colorful pageantry, its historical and, with special reference to its mining floats, economic significance, of wide and unusual interest In the news columns appears a more detailed account of this great procession.

In Pioneers Park hundreds found a place of restful beauty. The program there Saturday afternoon, under the chairmanship of Judge Raglan Tuttle fulfilled the heart's desire of all those who cherish the oratorical and literary features of the Fourth of July celebration. The park was also the scene of games and sports. Sunday afternoon scores of young people gave an exhibition of racing, diving and water sports.

Due to the interest and energetic supervision of R. J. Bennettts, the and George Calanan, the chairman of the park commission, the athletic field at the park was completed, the roadway through the park put into excellent condition, weeds cut and rough places smoothed. The park is becoming more and more the recreation spot of Nevada City people and their neighbors.

One of the pleasant features, perhaps the best of all, was the meeting of old friends. Through the letter writing done by members of the Civic Club, especially by Mrs. Belle Douglass, who was in charge of this preliminary activity, hundreds of former residents returned for the week end or the holidays, and reunions were held at the park and in the homes of relatives and old friends.

The State Board of Equalization has at length divorced itself from immediate contact with the liquor administration. It has appointed a czar in the person of George M. Stout who will take general charge of the entire state. The board gives a number of reasons for this change, but anyone who reads the papers will know that its change is made as a result of the corruption revealed among the board's underlings, malfeasance, to put it mildly, of one of its members, and the factional strife that developed in the board itself. Whether Mr. Stout will be strong enough (no pun intended) to resist the insidious pressure of those elements in the liquor trade that seek special priviliges for themselves, remains to be seen.

A warning comes to this desk regarding the hazards that vacation time brings to children. Not being in school they play along highways and streets, and motorists are specially asked to watch out for them. When the careful driver sees a young child playing on the side walk he either slows down or gives the place where the child is a wide berth. Children, specially young children, are often as heedless in their play as puppies or any young animal. The toll of auto killings through the land numbers thousands of little children each year, and vacation time is when most of them are killed.

FIRE AT HIGGINS CORNERS

State Ranger William F. Sharp and crew were called to a fire at Higgins Corners Saturday, July 4th. It burned over 35 acres of brush before being brought under control. Sunday a call came in from a fire at Hills Flat. It burned over two and a half acres of grass before being extinguished.

Many were present from San Francisco and other cities in California, and one was from far away Hamilton, Ohio. The roll was called from 18880 to 1936, members present answering. The first class to graduate from the Nevada City high school was in the year 1880. Rachel Adel is the only living member of the first class. Mr. Fred Bradley, who passed away over a year ago, was one of the members of this class.

SECOND SON BORN TO THE CHAS. M. BROWNS

A second son was born to Mr. and Mrs. Charles M. Brown, shortly before noon yesterday. The babe weighs 7 1-2 pounds and both mother and son are getting along nicely. The first son arrived first as a fire broke out and Fred E. Conner, president of the Chamber of Commerce, sent a bouquet to the infant designating it "Smoky". The bouquet to this newcomer he sent to "Sky Rocket", since the youngster came near arriving on the Fourth. As a matter of fact one of the child's grandfathers, was born on July 4.

CHIEF JUSTICE WASTE GUEST OF JUDGE JONES

Chief Justice and Mrs. William H. Waste, of the bay district were guests of Judge and Mrs. George L. Jones over the Fourth. Judge and Mrs. Waste came up to return with their granddaughter, Miss Virginia Ward, who received a broken ankle in falling from a saddle horse at Camp Augusta, Lake Vera, a few days ago. Judge and Mrs. Waste were delighted with the Fourth of July celebration.

Mrs. Elizabeth Lashbaugh had as holiday guests her son, Hampton Lashbaugh, and Mrs. Lashbaugh of the Seven Aces mine at Alleghany, and Mr. and Mrs. Bob Marshall of Auburn.

THREE-IN-ONE TROUT ENTERED IN CONTEST

Leading in the race for the prize offered to anglers by the Nevada City Drug store is a Dolly Varden trout weighing five pounds, caught by I. J. Weiler in Bowman's lake yesterday. A surprise feature of this trout was the discovery in its inside of two seven inch trout which had provided the big fellow with a good Fourth of July dinner. They were weighed along with the prize contender, and now the question arises whether or not their weight should not be substracted.

DEATH SUMMONS WILLIAM BOURNE

Mr. William B. Bourne, famed mining man, aged about 75 years, passed away at San Francisco yesterday. He has been an invalid for several years. His wife passed away about a year ago.

Mr. Bourne first became interested in mining in Grass Valley in the early 80's and eventually became chief owner of the Empire mine. He built the fine home now occupied by Mr. Fred Nobs on the Empire property near the mine buildings, and laid out the beautiful grounds.

Mr. and Mrs. Bourne had one daughter, Maude, who married a Mr. Vincent and resided in Ireland where two or three daughters are living. Several years before the death of Mrs. Bourne, she purchased a tract of land with the beautiful Killarney lakes in Ireland for her daughter and after the passing of the daughter the lakes were presented to the Irish government as a park.

Mr. Bourne spent a great deal of his time in Grass Valley. He had an interest in Bowman dam and later became head of the Spring Valley Water Company in San Francisco, remaining president util his retirement.

Mr. and Mrs. Bourne built a beautiful home near the Spring Valley plant.

Since Mr. Bourne became an invalid carol singers of the Grass Valley mines made several trips to his home to sing songs of old England, showing their love and esteem for him.

BIGELOW BACKED FOR SENATOR BY MINE EDITOR

J. P. Hall, publisher and editor of the California Mining Journal, under the vaption: "Bigelow Qualified to Represent Mining District," says:

The crying need of the Mining Industry is representation in the state legislature that knows its problems; and knowing them will not be swerved from the purpose of working for and securing necessary aid and at all times standing guard to head off injurious legislation.

That need extends as far as representation by legislators who are sold on the idea that due to the fact that Gold Mining attracts foreign capital to our state, that it is creative of new wealth and new employment, that it is a non-competitive business and that it is a quick stimulus to all other lines of business, it should have protection and encouragement not necessary to other industries that can pass on to the consumer taxes and other costs resulting from regulation.

Such representation Richard L. P. Bigelow, retired forest supervisor of the Tahoe National Forest, plans to give the 7th senatorial district, comprising the counties of Sierra, Placer and Nevada, the mining heart of Northern California, if elected.

SERVED HIS FELLOWMEN

For the past 34 years Mr. Bigelow has served the federal government

(Continued on Page Three)

W. H. WRIGHT, 84, ONE OF ORIGINAL CLAMPER ORDER

Mr. William H. Wright, aged 84 years, who lives on Walrath avenue this city, is one of the first members of the E Clampus Vitus order, having been taken in while a child of nine years in Downieville, his father being a high official in the lodge.

He stated the Clampers headquarters were in Forest, Sierra City was not in existence, but the Sierra Buttes mine was being worked at the time. A little dress maker in Forest made all their outfits which were clown like costumes. Mr. Wright chuckled when asked of the order's initiation ceremonies and activities. He stated they indulged in practical jokes and many of them were ridiculously funny; and the order also did many charitable deeds the rule being not to let the right hand know what the left hand did. Many in distress were often benefitted by an unknown person.

In Downieville the members persuaded a minister, dressed in broad cloth to join the order. After quite a ceremony of initiation he was handcuffed and then told the man who did it had left town, and he had to remain handcuffed until the next morning.

A Mr. C. C. Lane was initiated at Forest and kept returning for more degrees. Finally when the members had reached their limit he was told to go to Mokelumne Hill for the last degree, the Clampers being glad to get rid of him. As a joke he was given a treasure box, which unknown to him was loaded with heavy iron. Outside of Forest he was robbed; another box was fixed up and he spent the night in Camptonville, and when attempting to hold up the vehicle he was on the next morning as it left the town, the robber paused and called for the Clamper sign. When the intended victim gave the sign the robber departed stating he could not rob a brother.

Big black negro Sam, who drank rather heavily, stepped into a saloon in Forest for a drink and at the terrifying sound of the hewgag blown by some prankster, he beat a hasty retreat through the back door and fled thoroughly frightened.

The Clampers thronged to Downieville on holidays and put on big parades that were a delight to young and old. Clown like costumes assisted in carrying out all sorts of pranks and making the members a ridiculous sight.

Wr. Wright stated he had attended banquets in the Odd Fellows hall in Nevada City on many occasions and had seen women innocently give the Clamper sign.

Mr. Wright, when two years old came with his mother from New York via boat to the Isthmus of Panama crossed it and then by boat to San Francisco. With her tiny son she came to Sacramento and on to Marysville by boat and with others rode a distance of 61 miles mule back to Downieville a new gold mining town. They followed well worn trails there being no roads.

He lived in Downieville long before the road was built. When the old cannon was brought in he stated the streets were so narrow that they would not accomodate the crowd. It was brought in with a large bell during the Civil War. This cannon was fired on many occasions and he often assisted his father in its loading and firing. They received $10 for the firing. He said the cannon became old after a time and they tried to destroy it. It could not be broken up, and it was spiked but did not spoil it, as they were pulled out—and it was later thrown into the stream, and finally pulled out. It was placed out on a point overlooking the city and a few years ago the Native Sons and Daughters installed it on the grounds at the court house.

The largest crowd ever to enter the city in those days was when the first stage coach came into town over the new road. Throngs were in the streets, at windows and on the roofs. A mighty cheer went up when the coach rounded the turn into the city, the driver sitting erect with high plug hat, holding tightly to the reins as his prancing horses proudly stepped along with tiny United States flags all over their bridles. The old Hennes Pass road was the one used in those days.

Thousands Witness Pageantry On Fourth

A scene of pageantry and splendor greeted over 10,000 persons July Fourth in Nevada City as the Marshall of the Day, R. L. P. Bigelow led a parade that was about a mile long through the streets of the city. Splendid music by the Nevada City, Grass Valley and Sciot Bands in bright uniforms and massed colors carried by veterans added to the brilliant affair. Nevada City and Grass Valley have again demonstrated their ability to put on a successful celebration, in fact, it is voted the largest and best ever held in this city. Thousands of spectators lined the sidewalks.

The large number of horses, were commented on, the splendid thorough-bred Percheron horses from the Loma Rica farm of Errol MacBoyle, horses on snow shoes, pinto ponies and saddle horses; other interesting features were are old monitor on the Hydraulic Parlor, float. N. S. G. W.; old couples as 49'ers in stage coach; about eight couples that have celebrated their 50th wedding anniversary; the beautiful float with handsome Queen Claire Randall; attractive Peggy Moody in the Whiskerette float; a fine turnout of veterans of all wars; the treed coon and hunting hounds of Victor Gates; besides many others. Expressions of praise were heard on every side as the immense parade made the loop and the throng stood patiently in the hot sun until it returned and came down Broad street in splendid form the second ime. The old fashioned dances at the Community House in the afternoon were a treat to a large crowd, and throngs enjoyed swimming in the fine new swimming pool.

Cash prize winners in the acquatic sports at the pool in Pioneers Park yesterday afternoon were Seymour Locke, Duke Brannon, Byron Kirby, Hazel Thomas, Owen Welsh, Loyal Nelson, Dorothy Thomas, and Walt Hallett, some of these won two prizes in different events.

Nevada City won the baseball game on the new park diamond from the visitors who were the Celts from Sacramento.

In the drill contest Saturday, C. Allen and Snell Patterson of the Maben Hill mine south of Grass Valley won first, or $25, by drilling 47 inches in hard rock in eight minutes. The second team, Frank Hutton and Newt Keen of the New Brunwick, made a record of 45 3-4 inches. The second team was so close that Mr. Sullivan, representative of the Gardner Denver Rock Drill company of San Francisco awarded the men a second prize of $10. Timkin Rock bits used in the contest were supplied by the Timken Rock Bit company of San Francisco, who also had a representative present to assist in the contest.

The single jack drilling contest was won by Alfred Netz. He made a record of eight inches in ten minutes, winning $15. The tug-o-war was a tie, the $50 award being split between the two teams from the Lava Cap mine, and to Mr. Jack Chandler goes the credit of getting the team together and supplying the equipment.

In the sports and contests of the afternoon of the Fourth, great praise must be given Dr. W. P. Hawkins who successfully managed the event and kept the crowd interested every minute.

Grass Valley co-operated wholeheartedly in the celebration and had about 30 floats in the parade many of them utstanding, historic, interesting and beautiful.

North San Juan which is rapidly returning to prosperous times, supplied a whole division in the parade, and their assistance was greatly appreciated.

Miss Ruby Miller, of the Lace House, entered a beautiful float, "The Old and the New", or 1776 to 1936. Richard Esterley of Grass Valley and Mary Lee Carr of Nevada City were the tiny figures of George and Martha Washington with little Donna Parker, also on the float beside the large liberty bell.

It was learned after the parade that cars blockaded the upper and lower Grass Valley roads from Town Talk to Nevada City. People left their cars and walked the two miles and more to town but many were too late to see the parade.

Only brown sugar was in use then and he remembers when the first coal oil was used, everyone being afraid of it more or less, for fear it would explode.

Mr. Wright stated as a small boy he knew Major Downie, whom the city was named after, as a kindly elderly man. The bell now on the St. Charles hotel was on Major Downie's hotel across the river on Durgans Flat.

He visited the home of old Captain Hungerford, father of Mrs. Mackay. The captain had a large drum and the boy was allowed to play upon it. He became quite a favorite of the captain and he wanted to adopt the boy, but his parents would not consent.

The man who reported a big strike of gold on Gold Lake rushed into town and caused a stampede of people to the lake. When they did not find the gold the man had to leave town, but later Mr. Wright stated Haven Brothers mined on the lake side and found rich ore.

Mr. Wright also remembers the

Mr. Wright also remembers the first Chinaman who came to Downieville, the first lot numbering 30, then they later came in droves. All of their possessions were wrapped in a bundle at the end of a long pole and they wore the big basket hats. All were "cousins" and their answers were, "No sabe". They amassed fortunes, no white man ever really knowing how much gold they did mine. The gold was sent to China for the most part.

He believes great changes have come over the people since early days. Today everyone is quiet and sober, while in olden days everything was a josh and peals of hearty laughter often echoed in the streets of the cities, and in happy throngs gathered in homes.

Mr. and Mrs. Wright celebrated their 58th wedding anniversary June 10 of this year. Both have the ever ready smile and happy greetings, welcoming all who come their way and their many friends hope for them many more happy returns.

DON'T WEEP BRETHREN! THERE IS NOTHING IN THIS ANCIENT HEARSE

The San Juan hearse, purchased for about $1,000 by its late owner, Mr. Mike Hogan, was brought to Nevada City and was in the San Juan division of the parade on the Fourth.

Mr Hogan conducted a livery stable and served the suurounding district with funeral vehicles as undertakers did not have hearses in those days. It was shipped around Cape Horn in early days. In winter the hearse was only taken out a certain distance and a "dead wagon" continued on the trip as Mr. Hogan did not take chances of damaging his prized wagon on bad roads. In summer time he drove it as far as Cherokee, Columbia Hill, Sweetland, Birchville, North Bloomfield, Moores Flat, etc.

Two large black plumes were placed on the hearse and a team of black horses driven, if the dead person was an adult, and two white plumes and a white team were used if a child was being buried. Mr. Hogan never had an accident with his hearse and it is a much prized relic of the city of North San Juan.

JERRY DELANEY HURT ON TAHOE-UKIAH ROAD

It is reported that Jerry Delaney, of Grass Valley while driving out the Tahoe-Ukiah highway from Nevada City yesterday afternoon with his wife and Mr. and Mrs. Wells of Oakland, lost control of his car. His car left the highway plunged over an embankment and threw him into a tree. His wife according to reports was knocked unconscious and Mr. Delaney received a severe arm laceration. The ambulance was sent out and they were taken to a Grass Valley hospital. Mr. and Mrs. Wells escaped serious injury.

The Tax Payer

(Contributed)

Some one recently said:

"The blind man does not look ahead—he cannot!

"The taxpayer does not look ahead—he will not!"

The statement may not be true in all instances. Many taxpayers are trying to look ahead—perhaps more than at any other time in recent American history. But far too many others, while they may complain about their tax bills, do little constructive thinking on the subject.

The federal government, during the period from 1789 to 1911, inclusive—from the time of George Washington to the end of the Taft administration—had total expenitures of $22,417,452,000.

For the two-year period, 1933-35, plus three months of 1936, the same government cost $22,371,882,790!

And that comparison is not made in criticism of the national administration which happens to be in power at the moment. The trend has been sharply upward, both in Republican administrations and Democratic, and the question is economic—not merely political!

Mr. and Mrs. Fred Walmsley has as visitors over the Fourth the following cousins of Mr. Walmsley, Mr. and Mrs. Bert Klingerman and Mr. and Mrs. Norval Godowill and son of Fresno; Mr. and Mrs. Richard Walmsley and daughter, Aileen Marie, of San Francisco.

Mr. and Mrs. Robert Gates were Fourth of July hosts to the following relatives of Mr. Gates, a sister, Mrs. Marceline Fisher and twin sons, Calvin and Caswell of San Francisco; Mr. and Mrs. George Istrouch and two sons, Weston and Merle of Sacramento, Everette and Benton Beedient of Wheatland.

LOCAL HAPPENINGS

Mr. and Mrs. A. D. Hughes and son, Ross, of Modesto, are spending a short vacation with Mr. and Mrs. Don C. Billick.

Mr. and Mrs. Joseph Huy had as Fourth of July visitors their son and daughter Mr. Charles Huy, Miss Aileen Huy, and were accompanied by Mr. E. E. Fox, all of Oakland.

Mrs. J. McFadden and son R. Whittum of Martinez, and M. E. Whittum of Camptonville and Mrs. O. Hall of San Francisco, all former residents, spent the Fourth of July in tevada City with friends.

Miss Fay Genasci of Willow Valley had as a guest over the holidays her cousin, Miss Josephine Lombardine of San Francisco. Miss Lombardine returned home today.

Mr. and Mrs. George Hitchens of Nevada City had as guests over the Fourth, Mr. and Mrs. H. E. Hitchens of Sacramento.

Mr. Richard Thomas and friend Gil Wright of Oakland spent the holidays in Nevada City visiting Mr. Thomas' sister, Miss Dorothy Thomas.

Mrs. Lewis Wright and son of San Francisco are guests of Mrs. Howard Burr on upper Broad street. They enjoyed the Fourth celebration.

Mr. and Mrs. George Hitchens and Mr. and Mrs. R. Grant and children, Miss Joan and Robert, spent Sunday at Lake Tahoe.

Mrs. Gusta Fisher, daughter, Mrs. Louise Fuller and daughter, Ethelyn, of San Jose, while enroute home from Reno today called on Nevada City friends, among them being Mr. and Mrs. George Hitchens. They are former residents and Mr. and Mrs. Fisher owned and operated the Plaza Grocery store until sold to Mr. W. Celio.

YODELING ROPERS ARE EL DORADO FEATURE

The Yodeling Ropers, which consist of Mr. and Mrs. J. Doss and their three children, Lloyd, Denny and Alma, made a great hit with Nevada City folk who attended the entertainment offered at El Dorado by the Veterans of Foreign Wars. Singing, fancy roping, and rope tricks were only a part of the repertoire of the kiddies, who sang, and yodeled to the music of the violin, and guitar played by their father and mother.

The Doss family has just completed a 3-year vaudeville engagement, that took them on a tour of the entire west. They will leave tomorrow for Lake Tahoe and from there, they go to the big Salinas Rodeo, where they will undoubtedly be as big a hit as they were here.

BIG TROUT CAUGHT ENTERED IN CONTEST

Mr. George Akeman of Willow Valley and Mr. L. E. Noyes of this city, are the first to enter trout in the contest at the City Drug Store. Mr. Akeman caught a 20½ inch trout in Milton lake that weighed 3½ pounds, and Mr. Noyes caught a 19 inch fish in the Yuba river above Cisco, that weighed 2½ pounds.

GOOD SERVICE COSTS NO MORE

A modern establishment—a trained, intelligent and courteous personnel — distinctive motor equipment and other evidences of progress and prosperity are NOT an indication that funeral service charges will be high. A successful concern can be built only by serving honestly and well, at prices that are fair and reasonable.

NEWMAN BROTHERS IN SEPARATE APARTMENTS

Monte and Merritt Newman, brought back from Leadville, Colorado by Sheriff C. J. Tobiassen and deputy, who are in the Nevada county jail charged with the death of Christian Meyer several months ago, were arraigned before Judge W. L. Mobley and will come up for their preliminary hearing next Wednesday.

Sheriff Tobiassen stated the men are peaceful prisoners. They are kept in separate rooms in the jail. They claim they fled the county for fear they would be arrested for killing deer out of season.

BICYCLING VACATION FOR COLLEGE STUDENTS

Dick Stanley and Dave Dozier, Fullerton Junior College students, are having a bicycle adventure. The young men are of Orange, California, about twenty five miles below Los Angeles. They started forth about two weeks ago with their bikes and a little money but with plenty of the spirit of adventure. They have visited Monterey, Santa Cruz, Marysville and spent yesterday morning in Nevada City and are now on their way to Reno. Generally they travel in the early evening and early mornings and get their sleep during the daytime. They will have traveled about seven hundred miles on the round trip.

Their only luggage is a blanket and a "change." It costs them fifty cents a day to live. Food consisting of three quarts of milk a day each, bread and fruit. They sleep anywhere, orchards being their favorite place. One night they slept on the campus of Stanford University.

in the forestry division with dinstinction, having been the first all-year forester appointed in California. He first served in 1902 in Kings River Canyon, Fresno County, a year later being sent to Inyo as head ranger. After three years' service he was made supervisor of the Trinity Forest and with headquarters at Weaverville organized the Trinity, Klamath and Shasta forestry units, placing supervisors in charge. In 1906 he moved to Yreka and there took charge of the Klamath National Forest, serving until November, 1908 when he was transferred to the Tahoe National Forest as supervisor.

PIONEER ROAD BUILDER

Good roads have always been a happy hobby of the man who was the dean of fores rangers in California. Bigelow built the first trail in the summer of 1903 from Simpson Meadows to Tihipiti Valley in Kings river canyon It was the start of all trail work. He did the preliminary work to start the Yuba Pass highway and because of the other work became known as the father of the Downieville to Sierraville highway. He obtained road work on the east side of Lake Tahoe. He was the first to recommend and worked to obtain a road now under construction from Sierraville to Hobart Mills. During his career, he has been a constant advocate of and has obtained many appropriations for mining roads.

WEEKLY COMMENT BY Christian Andersen

The finest collection of authentic antiques ever seen anywhere, a real museum might bring much pleasure to people who come here to visit and incidentally great satisfaction to Nevada City people.

The Eldorado was a fine bit of work and the whole show reflects credit on "The V. F. W. Gang." The writer saw every phase of it's working and failed at any time to see anything but good sportsmanship.

To the talent who worked in my show Friday night July 3rd my hat is off. They were real troupers. From the platform some one guessed that there were 2500 people in that one block.

Literally hundreds stopped to speak words of praise for the parade. Many who had seen other and many street parades were high in their praise of this outstanding part of the celebration.

The click and the clockwork precision with which the Fourth of July committee arranged the whole affair indicated that they knew what to do and when to do it Even the intimate details of the affair were not forgotten.

Section 1. The right, privilege and franchise of erecting, constructing and maintaining electric lines consisting of poles or other suitable structures and wires, crossarms and other appliances installed thereon, including wires for the private telephone and telegraph purposes of the grantee, in so many and such parts of the public highways, streets, roads and places of said County of Nevada as the grantee of said right, privilege and franchise may from time to time elect to use for the purposes hereinafter specified, and of using such electric lines for the purpose of transmitting, conveying, distributing and supplying electricity to the public for light, heat, power and all lawful purposes, are hereby granted by said County of Nevada for the term of fifty (50) years from and after the time when this ordinance shall take effect, to and assigns.

Miss Barbara Jefferson Weds Chester Peterson

At a quiet but beautiful service in the Methodist church Tuesday evening Miss Barbara Jefferson became the bride of Mr. Chester R. Peterson with Rev. H. H. Buckner performing the ceremony. Relatives and close friends were present for the impressive service.

The charming little bride was given in marriage by her father, Mr. Fred Jefferson. Promptly at five o'clock the bride entered the church on the arm of her father to the tune of Mendelsohn's wedding march and were met at the altar by the groom. Mr. Lawrence Peterson brother of the groom was best man. Mrs. Robinson was matron of honor.

The bride carried a bouquet of Cecil Breuner roses and for-get-me-nots, and was attired in a white lace dress. The matron of honor wore a pink striped chiffon dress and carried a corsage of pansies. Miss Margaret Phariss, organist, played Mendelsohn's wedding march and Loves Old Sweet Song, during the service.

The bride came to Nevada City five years ago with her parents, Mr. and Mrs. Fred Jefferson and graduated with the high school class of 1934. She is a member and officer of Neva Rebekah lodge, No. 119, and is an accomplished young woman.

The groom was born at North Bloomfield and has been reared in Nevada City. He graduated with the class of 1933 from the local high school and is a member of Oustomah lodge of Odd Fellows. Both are popular with the younger set in this city.

After the wedding Mr. and Mrs. Peterson left for a short honeymoon. They will reside in a cosy home, prepared by the groom, on Gethsemene street. Many beautiful and useful gifts were presented to the newly wedded couple.

Miss Pauline Rozynski Weds William Mullis

Miss Pauline Rozynski and William Mullis were united in marriage at the Mullis home on Boulder street Saturday afternoon at 2:00 o'clock. The Rev. H. H. Buckner performed the ceremony. The bride, gowned in white satin with a tulle veil was given away by her brother, Roman Rozynski. The groom was attended by this brother Walter Mullis. Miss Elma Eden, gowned in buffant blue was bridesmaid. Following the ceremony light refreshments were served to the guests under the trees in the Mullis garden.

The bride, daughter of Mrs. Paul Rozynski, of Willow Valley has lived here during her school days and is a graduate of the Nevada City high school with the class of 1936. She is a young woman who has endeared herself to all who know her, and her many friends are happy to know that the young couple will continue to make their home in Nevada City.

Following the wedding the newly-weds left by motor for Santa Cruz and after a brief sojourn there will return to Nevada City.

Musical Evening At Goede Home

Mr. and Mrs. William Goede were hosts Sunday evening to a group of friends at a musical at their home near Pioneer Park. Mr. and Mrs. R. S. Hunkins of Berkeley, house guests of the Goedes with Mrs. Goede formed a trio of piano, violin and viola and rendered many beautiful numbers which were greatly enjoyed by the guests. Following the evening of music refreshments were enjoyed.

Mrs. Ray Worthley entertained week end guests, her brother, Tom Campbell, wife and sons, Dale and Jack, from the bay region. After a visit here they went to Washington to visit other relatives.

Mrs. William Maguire had as her guests July Fourth her daughter Mrs. R. Meredith, Mr. Meredith and son, Wilson, all of Oakland. Wilson will remain for a two weeks visit.
